# 📱 Our Mobile Phone Rules

Mobile phones can help keep us safe when travelling to and from school.
But to keep everyone happy and safe, we must follow these rules:

### 👍 Do

- Hand your phone to your teacher every morning.
- Keep it switched off while you are at school.
- Collect it at home time and only switch it on once you've left the school gates.
- Use your phone kindly and sensibly outside of school.

### 🚫 Don't

- Use your phone in the classroom or playground.
- Take photos, videos or recordings in school.
- Message or call friends during the school day.
- Use your phone to be unkind or hurtful.

### ⚡ Remember

- Your phone is **your responsibility** on the way to and from school.
- If you break the rules, your phone will be taken away and your parents will need to collect it.

### ✨ Simple Rule:
**Phones stay off and handed in during school.**
**Respect, kindness and safety always.**
